STUDENT LIFE

At the heart of all we do at TKA are three guiding principles; Faith, Family, Future. It is our desire that all that we do be done in the name of the Lord. Therefore, we unapologetically seek to develop the gifts and talents that the Lord has provided in each student. From weekly chapels, small groups, and a biblically based curriculum, our students are exposed to the love of Christ in all we do.

STUDENT TESTIMONIAL

“ The dorm students have become a family to me. We have fun activities on campus and off campus on the weekends. On campus small groups allow us to talk about the things that happen in life, and host families allow us a fun experience to get to know TKA families outside of campus. My favorite part about TKA is being on the basketball team.”
