

SCIENCE TEACHER (PHYSICAL SCIENCE & CHEMISTRY)

JOB DESCRIPTION

Mission:

The King's Academy inspires and equips students of all cultural backgrounds to fulfill their God-given potential in a nurturing, college preparatory community.

Employee Profile:

Spiritually, the employee shall possess characteristics that reflect:

- A strong clear Christian testimony.
- A mature, godly spirit
- A person of faith and prayer

Personally, the employee's life shall reflect:

- A lifestyle of biblical integrity
- A spirit of dedication, commitment, flexibility, and responsiveness
- The ability to listen and respond to counsel

Duties and Responsibilities:

- Contribute to school systems effectiveness by identifying short-term and long-range issues that must be addressed; providing information and commentary pertinent to deliberations; recommending options and courses of action; implementing directives
- Establish and adjust course outlines and objectives by following curriculum guidelines and school goals; modifying plans on the basis of student diagnostic and assessment procedures
- Convey information to students by using language concepts, examples, demonstrations, and teaching aids through such best practices utilizing the integration of technology with subject matter
- Complete educational requirements by scheduling and assigning instructional activities; following up on results
- Assess student learning by preparing, administering, and scoring tests; reviewing and correcting assignments; eliciting student questions and responses; evaluating application of learning to classroom project results
- Maintain student-learning results by providing instructional feedback; coaching; counseling, and disciplining students; planning, monitoring, and appraising learning results

- Maintain records by documenting learning accomplishments, attendance, and behavior
- Guide students personal and social development by establishing rules and procedures for administrative matters, student verbal participation, and student movement within the classroom, between classrooms, and on the playground
- Help parents by providing academic information; suggesting available educational and social resources; addressing parents concerns; answering questions and requests
- Maintain professional and technical knowledge by attending educational workshops; reviewing professional publications; establishing personal networks; participating in professional societies
- Maintain safe and clean working environment by complying with procedures, rules, and regulations
- Conserve resources by using equipment and supplies as needed to accomplish educational results
- Other duties as assigned by the Principal
